

DKOsalTrace.cpp File Reference

```
#include "DKOsalTrace.h"
#include <cstdarg>
#include <stdio.h>
#include <stdlib.h>
#include "DKOsalThread.h"
```

Include dependency graph for DKOsalTrace.cpp:

Macros

```
#define MAX_MSG_LEN 128
```

Functions

```
void osal_warn (const char *fmt,...)
```

```
void osal_error (const char *fmt,...)
```

```
void osal_abort ()
```

Macro Definition Documentation

◆ MAX_MSG_LEN

```
#define MAX_MSG_LEN 128
```

Function Documentation

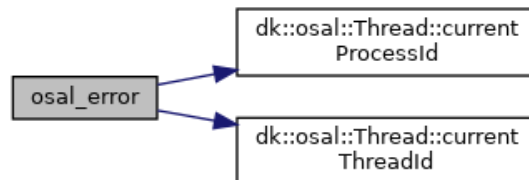

◆ osal_abort()

```
void osal_abort ( )
```

◆ osal_error()

```
void osal_error ( const char * fmt,  
                 ...  
                 )
```

Here is the call graph for this function:

◆ osal_warn()

```
void osal_warn ( const char * fmt,  
                ...  
                )
```

Here is the call graph for this function:
